

## ACCESSING PRIVATE APPLICATOR INFORMATION

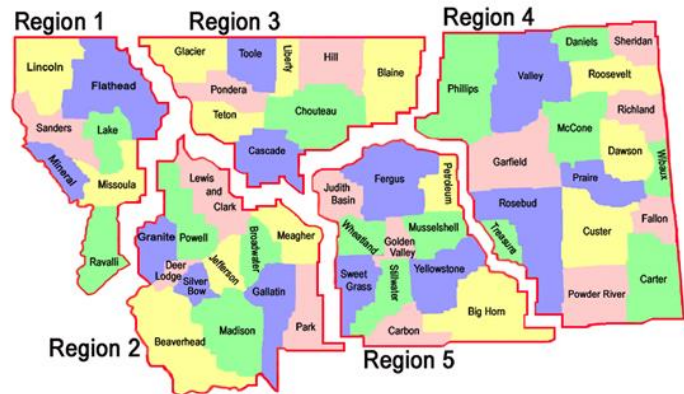

### View current approved courses:

Go to <https://mtplants.mt.gov/PesticideApplicator/MeetingSearch.aspx>

Under 'Category' select 'Private Agricultural Pest Control' or applicable program.

Select your Montana Region and/or county.

- Region 1 = 'PRIV 1'
- Region 2 = 'PRIV 2'
- Region 3 = 'PRIV 3'
- Region 4 = 'PRIV 4'
- Region 5 = 'PRIV 5'

Click the box next to 'Display Map' to see a map of available courses. Use the other options listed to refine your search.

Programs will be listed for the Montana region you select. By selecting a program, an applicator may view the program agenda, location of program, contact information, and credits available. Applicators may wish to contact the program sponsor to pre-register.

### View license number, license information, and credits:

Go to <https://mtplants.mt.gov/PesticideApplicator/ApplicationExternalSearch.aspx>

Enter your first and last name under: 'Pesticide Business/Applicator Information.'

Under 'Search Results' click on the underlined program type.

The applicators license information will be displayed. This includes address, license number, license expiration date, and credit information.

*If you have any questions regarding your private applicator license contact your local county Extension Agent or the MSU Pesticide Education Program (406-994-5067, [ctsharp@montana.edu](mailto:ctsharp@montana.edu)).*
